**NEW!**

**SUMMER FUN AT BOGUS BASIN**

**BERM, BABY, BERM!**

New for the 2017 summer—“Berm, Baby, Berm!”—a multi-faceted downhill flow trail featuring consecutive berms, rollers, and optional hits. Enjoy a high speed ride down over 1.3 miles of gravity fed trail. Starting off of Brewer’s Bypass, this exhilarating trail can be accessed via the Pioneer Lodge Shuttle or Deer Point Chairlift.

**SKILLS PARK & PUMP TRACK**

Looking to hone your bike control? Look no further than our brand new Mountain Bike Skills Park and Pump Track. Enjoy any of our three dirt jump lines, which contain tabletops, rollers, gapped doubles, hip, and berms. You can also work on your technical riding on one of our two skills lines, featuring rocks, and log rides. With plenty of optional transfers and creative lines, the pump track is great for novices to expert riders. All of this can be accessed just outside the base area, left of the amphitheater.

**AROUND THE MOUNTAIN NUMBER ONE RATED MTB TRAIL IN IDAHO!**

**TRAILEHEAD**

Around the Mountain begins at the Simplot Lodge Base area. It shares the same trailhead as the Deer Point trail. Follow the Deer Point trail about one mile up to a junction where Deer Point and Around the Mountain split. The trail meanders around Shafer Butte and returns to the Pioneer Lodge event area. Follow the trail markers to Morning Star trail which is a fun 1.6 mile descent back to the Simplot Base area. Please follow the counter clockwise direction to avoid the risk of collisions.

**DISTANCE**

9.8 Miles in total loop

**DIFFICULTY**

- Moderate to Difficult

A challenging climb up Deer Point Trail leads to some rolling descents and a couple good climbs on the back side. This trail is ideal for Mountain biking.
