

Summer at the Pioneer Lodge, mid-mountain Bogus Basin.

## Elevate your Event at Bogus Basin!

### Summer Lodge Rentals and Large Group Catering 2019

In the summer of 2019 the Simplot Lodge will be available for both full and partial rentals. The Pioneer Lodge is due to be out of commission from mid-June on as the historic lodge undergoes renovations, however, it will remain available early season for private rentals.

The Pioneer Lodge offers an exclusive location and the ability to rent out a whole lodge which, split amongst two floors, accommodates up to 300 people at one time. This mid-mountain lodge looks out on the south facing slopes of the front side of the mountain. Access to hiking and mountain biking trails are right out the front door and extra amenities such as audio visual equipment and a private bar are available for rent.

The Simplot Lodge is directly adjacent to the summer activities, including the Glade Runner Mountain Coaster and Fun Zone. It is the main thoroughfare for summer fun. The open-seating plan allows a more relaxed style of dining and easy transition between meals and activities.

Below is a comparison of Pioneer Lodge and Simplot Lodge. Following that is an example menu for large group catering at either location. Appetizers are available upon request.
