

General Rules

1. HAVE FUN!
2. KEEP YOUR NUMBER – It will be yours for the entire series unless you are a day-of registration.
3. RACE NUMBER PLATES ARE NON-TRANSFERABLE. Assigned plates must be used by the assigned athlete for each race. If you lose your number, you will need to make a new plate with the same number.
4. BIKE RACERS MUST WEAR A HELMET
5. Only human-powered, non-motor assisted, traditional pedal bicycles are allowed in the cross-country race classes (no E-bikes, or any other assisted bikes).
6. Racers must start with their race group.
7. Racers must yield to faster riders/runners on all sections of the course where possible. Race respectfully.
8. Bike racers must cross the finish line with their bike.
9. NO headphones, earphones, MP3 players, etc. are to be used anytime you are on the course.
10. Short cuts result in disqualification. If you leave the course, re-enter where you left.
11. Racers must complete all laps for their category. Non-completion of all your laps is a DNF.
12. Racers are permitted support. Racers may leave the course for repairs, but must return to exact location where they left.
13. Community Race Series reserves the right to refuse entry to venue or race entry to anyone, for any reason.

DH Race Rule Additions

- All riders must check-in each week 5:00-6:00 pm to pick up RFID timing chip.
- RFID timing chip must be attached to stem or handlebars of bike.
- If you are unable to finish your race, clear off the course to avoid other riders. Notify race officials if you do not finish.
- If another rider is catching you during your race run, clear off the course and then continue your race. Not clearing can result in disqualification.
- You must race at the allotted start time and follow the starter's directions.
- DH racing is on intervals. Select the appropriate class/level.
- Ride your level. Race day is not the first time to hit a jump or drop.
- Awards are based upon participation, not results. Use the experience to develop as a competitor.
- DH MTB riders must turn in RFID timing chip after your race. Failure to return timing chip results in a \$100 fine.

What can you expect on race night, now that you have registered?

- Expect to have nearly the best time of your life with good friends, and amazing family and community vibes.
- **Pre-Registration packet pickup party** at Bogus Basin Offices, 2600 N Bogus Basin Rd. Monday June 21 5:00-6:30 pm. Pick up your swag bag with goodies (socks, food, pint glass, stickers and

Choose Your Bike Race Level

- Expert riders are highly advanced and experienced. They are able to ride the most advanced technical terrain and have the experience to know when to get off the bike and run. Experts are at the peak of physical strength and endurance, and have the mental stamina to ride through significant pain.
- Sport class riders generally race the same courses as Expert riders. They are experienced mountain bike racers and are able to ride most technical terrain. While not quite physically at the same level as Expert riders, they are in excellent physical condition. Sport riders have developed important racing skills such as passing in awkward conditions and pacing.
- Novice riders are most often beginner racers. They are not necessarily able to ride all the technical terrain, or complete all the climbs that Sport and Expert riders can. Novice race courses are often, but not always, shorter or easier than Sport or Expert courses.
- ** – Elite, while an ability category, is not broken into age groups like the others. It is a special Open, ageless category similar to the Pro/Open fields found at USAC races. Elite racers have similar characteristics to the Expert riders described above but they can do all of that just a bit faster.

Remember

1. No number plate, no score.
2. Number plate must be properly installed – see the ABOVE for instructions on how to properly install your plate.
3. Absolutely no crossing through the Start/Finish area unless you are racing (during practice, prior to the race, is OK).
4. No bikes in or near the Scoring/Timing area or timing arch unless directed.
5. Sportsmanship & Conduct: Foul riding, use of profane language towards other riders, and other unsportsmanlike behavior is prohibited. The penalty imposed is at the discretion of the Race Director.

6. Racer protests must be filed in writing with the race director within 15 minutes of completing the race. This is a FUN race. Disputes will be handled fairly with involved parties. Ultimate decisions will be made by the Race Director.
